## UNIVERSITY EMBLEM

### Description of Emblem:

The emblem of the Deemed University has four salient images depicted in it: The red triangle with its apex pointing up, the bow, the arrow and the entwined snakes.

The triangle with the arrow underscores the Mission of the Deemed University: viz, to merge the three enduring objectives – Education, Healthcare and Research – represented by its three sides into a harmonized whole and hold it launched boldly up into the future. The arrow in addition, stands for the wand of Hermes (or the staff of Asclepius) and with the two entwined snakes represents the Caduceus, which has been traditionally used as the symbol of the medical profession. Uniquely, the bow here adds dynamism and a further dimension to the theme as it holds the arrow poised with its focus into posterity.

Motto:

Sky scale Advancing Education  
Disease-alleviating Healthcare Innovation  
Translatable Research Continuum

Message by  
**Shri. N.P.V. Ramasamy Udayar**  
Founder-Chancellor  
(Given in the year 1998)

Beloved Student,

It is with a great sense of pleasure and joy that I welcome you to this campus as a student. Our Trust when it was conceived in the year 1985, dedicated this institution to the proposition that it shall reach the heights of excellence in the fields of medical and health related education, research and patient care. Since then we have worked with a great sense of determination and commitment to make this 150 green acres develop as a mini town with all the facilities inside, keeping in mind the ecology of the surroundings. We are aware that this is going to be your home away from your own home for the next several years and it is vital that the campus is healthy for your growth and comfort. I myself have spared no pains to procure everything that is considered essential to accomplish this. Your parents do expect us to provide appropriate facilities for your development during the next several crucial years in your life. Myself and the administrators of this institution will be happy to listen to your suggestions, requests, and complaints and take such actions as necessary to improve the situation. But, it is very essential that you keep the communication line open and have no hesitation in approaching us. It is also possible that some of you may have unusual, personal, social and adjustment problems particularly when you are away from your own families for a long time. My faculty, staff, wardens and the Dean of Faculties assure me that they will provide such counselling services as may be necessary in the individual circumstances. Such services will be given entirely on a one-on- one basis in strict confidentiality. But again it is up to you to seek such help from us when you are in need.

Although you are here primarily in pursuit of good education and qualification, we believe that you should have adequate opportunities for extra-curricular activities particularly cultural and sports. We encourage all such activities that will help you develop an all-round personality and become an excellent professional.

At this juncture, it is important that you become aware of our expectation of you. As much as you have a right to stay and enjoy the privileges in the campus every other student who is here has the right as well. This institution cannot tolerate any student intimidating other students in the form of teasing, ragging or cause any kind of harm to fellow student physically or emotionally. We do not have a place in this institution for

such indiscipline and any student who indulges in such activities will be summarily expelled. Students and parents should also be aware of the recent strict laws that have been enforced by the Government of Tamil Nadu and other statutory authorities against any form of ragging inside college campuses. It is expected of every student that he will abide by all the rules and regulations of this Deemed University colleges and the hostel at all times.

Students who have difficulties with the subject are encouraged to directly seek counseling from the Head of the Department concerned. He is further encouraged to contact the administration to obtain necessary help for improvement. As a policy, it is demanded of every student that he/she maintains 80% attendance in every subject and also meet the standards required for internal assessment examinations. In the matter of allowing a candidate to appear for examinations, the final authority is the concerned Head of the Department and the Dean of Faculties.

In conclusion, I would like you to note that we are here to make everything that is possible and necessary to give you a good education and experience in your field. It is with this intention that we have made a historic alliance with Harvard Medical International also. We want you to utilize all these for your betterment, so that you can look back one day and feel proud of your ALMA MATER.

Wishing you the very best in your life,

**N.P.V.Ramasamy Udayar**

### **From the Desk of the Chancellor**

Dear Students,

It is with much pleasure that I extend a warm welcome to all students who have chosen to join our family of Sri Ramachandra Institute of Higher Education and Research, during the academic year 2022-23.

SRIHER offers great academic support for students enabling acquisition of knowledge, skills and attitude to become competent professionals as clinicians, researchers and academicians in their respective field. The teaching-learning environment at SRIHER encourages students to practice higher-level critical thinking skills and peer interaction to promote academic excellence in all domains. Several new programs are being initiated every year on par with global standards that also provide abundant opportunities for a better future. Competency based programs in Medical, Dental, Allied Health, Engineering and Technology are progressively being implemented across all faculties.

I am happy to share that the placement record of our students has been continually rising over the years with more reputed companies, hospitals, research organizations and IT industry recruiting our students through the in-house Placement Cell. Therefore, students can certainly look forward to a rewarding career and a promising future in their chosen fields.

The validations and certifications awarded by national and international agencies serve as testimony to the quality of our students, staff and faculty. The NAAC (cycle-3) CGPA of 3.53 on a four-point scale at 'A++' grade and NIRF-2022 ranking are noteworthy reflecting our commitment towards quality education, health care and research. The hallmarks of SRIHER include enhanced medical care, interdisciplinary collaborations, launch of novel programs, promotion of individual excellence and community service.

On the academic front, the university coping up with the many challenges of the pandemic & revised curriculum has presently shifted to a fully onsite and blended mode of teaching & training. These are vital for driving inclusive student experiences with access to knowledge and skill in a way that works best for them around their individual needs. I strongly believe that students are our source of pride and they infuse energy into the entire campus of SRIHER.

There is a lot to look forward to in the years ahead, including various learning opportunities, social events, sports and extra-curricular activities to upgrade yourselves to global standards in order to succeed in a highly competitive world. I am glad that you have chosen to be a part of a robust campus community that values your well-being and interests.

I welcome all the students to join the SRIHER family. Wishing you the best in all your future endeavours.

**Mr. V.R. VENKATAACHALAM**

### **From the Pro-Chancellor's Desk**

Dear Students,

Welcome to SRIHER, a leading, student-centric institution that offers more than 150 programs to choose from, to accomplish your educational and career goals. We bring together students from across the country with diverse cultures and experiences, thereby providing our students an enriched learning and working environment.

SRIHER is a vibrant and exciting place that has been recognized as a premier centre and is at the forefront of global development in higher education. Our prime goal is to provide value added education on par with the standards of most sought-after educational institutes across the world.

Being sought after by students and principal educators across the country and the globe, the university offers advanced academic programs with an emphasis on practical and evidence-based learning, thereby creating a conducive environment for gaining knowledge and skills. Our methods of education are interactive, supportive, challenging and more rewarding for our students and provide a great chance to amplify their talents further. We incorporate online and digital enhancements to our curricula creating an academic environment wherein all our students and faculty maximally use their potential and are confident to explore new prospects.

Besides imparting knowledge through quality education, we also provide attention to skills training. We also inculcate other activities like sports, cultural activities, debates, performances and develop essential qualities like leadership, team coordination etc. through various clubs driven by students with mentorship from faculty experts. Students can benefit from the enriched library, hygienic cafeteria; world class sports facilities and a host of other facilities within the campus.

Our university aims at disseminating quality education conforming to global standards and also engages students in active research experience. The faculty relentlessly work on preparing the next generation with professional soft skills like communication and interpersonal skills that qualify them to become global leaders and valuable citizens in the years to come. A research-based education also enables our students to develop as independent learners with the inquisitiveness and drive to continue lifelong learning.

I welcome all students to this scholarly family of SRIHER and assure that in this new academic year 2022-'23, your journey with us for an effective professional career will be a rewarding experience. SRIHER's teaching and training will empower you with requisite skills to embark on your career and aid in discovering your potentials, make new friends and expand your network, professionally and personally. Best Wishes.

**Mr. R.V. SENGUTUVAN**

## From the Desk of Vice-Chancellor

Dear Students,

Welcome to the SRIHER family and a new academic year 2022-23. This students manual will provide you with the necessary information regarding rules and regulations, academic calendar, information about SRIHER, the official committees that function for the growth of the institute, student council, co-curricular clubs and a lot more. The manual has special messages from the Founder Chancellor, Chancellor & Pro-Chancellor followed by motto and anthem of our university.

SRIHER has been constantly striving to provide the best learning experience with abundant opportunities for research, networking and other related activities for the benefit of students. Several new programs and initiatives are being added to the regular functioning of the university to ensure we stay on par with global standards. Feedback from students and other stakeholders of the university ensure that we continue to provide better services in the years ahead. It would be interesting for you to know that we run many elective courses which you can chose for your learning apart from core subject.

There is a vibrant mentoring system in place and also student support is being provided efficiently through a team of Asst. Deans, Associate Deans & Dean of Student.

Please take time to go through the manual to understand the plan and activities for the academic year 2022-'23. We wish you the best in every endeavour you engage in, during this academic year.

All the very best.

## **INTRODUCTION**

Sri Ramachandra Institute of Higher Education and Research (Deemed University) previously known as SRMC & RI (DU), ranked among the top health sciences universities in India, had its origin as Sri Ramachandra Medical College & Research Institute which was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private not-for-profit self-financing institution and dedicated to serve the society as a centre of excellence with emphasis on medical education, research and health care. The Trust achieved the task of establishing the Institution as a “Centre of Excellence” under the leadership of Late Shri. N.P.V.Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri.V.R.Venkataachalam is currently the Chancellor of the Deemed University and is also the Managing Trustee of the Trust.

In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College & Research Institute as a Deemed University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. As notified by the UGC, the nomenclature of the institution was changed to Sri Ramachandra University in 2006 and reverted to SRMC&RI (DU) from December, 2017. Now, as per the Notification dated 08.08.2018 by the Ministry of Human Resource Development, Govt. of India, the name of the DU has been changed to “Sri Ramachandra Institute of Higher Education and Research (Deemed to be University).

Over three decades, the institute has transformed into a full-fledged Deemed University and at present, with fourteen faculties / constituent colleges, viz., Sri Ramachandra Medical College & Research Institute, Sri Ramachandra Dental College & Hospital, Sri Ramachandra Faculty of Pharmacy, Sri Ramachandra Faculty of Nursing, Sri Ramachandra Faculty of Physiotherapy, Sri Ramachandra Faculty of Allied Health Sciences, Sri Ramachandra Faculty of Management, Sri Ramachandra Faculty of Biomedical Sciences and Technology, Sri Ramachandra Faculty of Public Health, Sri Ramachandra Faculty of Sports & Exercise Sciences, Sri Ramachandra Faculty of Clinical Research, Sri Ramachandra Faculty of Engineering and Technology, Sri Ramachandra Faculty of Audiology and Speech language Pathology, Sri Ramachandra Faculty of Occupational Therapy. The Deemed University offers 153 UG and PG programs with a faculty strength of around 1,000, has more than 7,200 students receive teaching and training under them (Faculty: Student ratio 1:7)

## ACCREDITATIONS AND RECOGNITIONS

The consistent quest for excellence in medical education, health care and research has earned the SRIHER (DU) many notable accreditations, recognitions and awards. Notable among them are:

## **LOCATION AND ACCESSIBILITY**

The Deemed University is located in Porur, on the busy Chennai - Bangalore highway, a twenty minutes drive from the Chennai international airport. Chennai is a fast growing industrial, medical and knowledge hub in South India that retains its charm, tradition and culture. It is well connected by road, rail and air to almost any destination in the world.

## **INFRASTRUCTURE**

The infrastructure at the Deemed University has been created to provide its students the best educational environment in the country. Over two million square feet of constructed space houses technologically advanced, fully air-conditioned state of the art class rooms, modern laboratories and one of the largest medical libraries in the region.

## **CAMPUS AND FACILITIES**

Spread over 150 acres, the Deemed University is housed in a refreshingly green campus. Well-manicured lawns, sprawling open spaces and trees dot the campus. The campus itself is a township with colleges, the medical centre, staff and student housing, conference facilities, play grounds, multi-cuisine restaurants, ATMs, gift & garment shops, travel service, railway reservation counter and a post office.

## **THE HOSPITAL**

Sri Ramachandra Hospital is a tertiary care facility that focuses on the clinical teaching activity. With 2,525 beds, the largest ICU in the region and the state-of-the-art equipment, the hospital offers the trainee with ample opportunities to acquire knowledge and skills from the finest doctors in the country. The hospital has excellent oncology, cardiothoracic, vascular surgery, interventional neuro-radiology, neonatology, reproductive medicine, clinical embryology, critical care and emergency services to mention a few. The hospital seamlessly integrates with the colleges to provide knowledge and practical application of the acquired knowledge effortlessly.

Sri Ramachandra Medical Centre has over three decades acquired a reputation for excellence in patient care. Keeping pace with the needs of the urban and rural population, this institution has constantly upgraded its services and has added super specialties. At present, it is at the cutting edge of treatment in a number of areas, offering ambulatory as well as in-patient services.

## **CENTRAL LABORATORY**

The fully air conditioned Central Laboratory of Sri Ramachandra Medical Centre is situated at Shri. Ramasamy Udayar Block, occupying an area of about 6000 sq. feet and performing approximately 14,000 diagnostic tests per day.

A spacious blood collection area and separate processing areas for Clinical Biochemistry, Clinical Pathology, Hematology and Clinical Microbiology samples. The Laboratory has sophisticated fully automated biochemistry analyzers, cell counters, automated culture identification and susceptibility systems. The specimens are processed by qualified technicians and reported by authorized staff. Most of the equipments are interfaced with the Laboratory Information System (LIS) and integrated with Hospital Information System (HIS) so that the results can be viewed in the ward and other patient care areas as soon as they are released by authorized laboratory personnel. Strict continuous quality control is maintained.

The Blood Bank which is one of the largest in Asia with 10,000 Sq.ft. area which provides state of the art blood and component transfusion support to the patients. The Central laboratory is NABL reaccredited.

### **INTERNATIONAL PATIENT CARE SERVICES**

## **1. SRI RAMACHANDRA MEDICAL COLLEGE & RESEARCH INSTITUTE**

In the NIRF-2022, a Ranking System implemented by the MHRD of Govt. of India for the Higher Educational Institutions, Sri Ramachandra Medical College & Research Institute has been placed at 15<sup>th</sup> rank among all the Medical Colleges in India.

Thousands of students from India and abroad have graduated and have received the MBBS degree since the medical college was initiated in 1985, in addition to several hundreds who have received postgraduate degrees and diplomas in the various branches of Medicine.

The MBBS programs as well as all the Postgraduate programs that come under the purview of the National Medical Commission (NMC) are conducted with the approval of the NMC. The Medical College was one of the first few colleges in India to obtain permission to admit 250 students from the academic year 2011.

The Undergraduate Medical (MBBS) Program is fine tuned to meet not only the criteria laid down by the NMC but includes the nuances of education as practiced in Harvard Medical School. The Harvard connection that we nurtured and developed in the past had consistently helped us in establishing and monitoring the quality of medical education, healthcare and research. The Annual Rep of the Harvard Medical International (HMI) stated that "It is wonderful to see that Sri Ramachandra Medical College & Research Institute is now known as a center of excellence in India for education programs".

Further, the HMI Report for 2007 stated that Sri Ramachandra is the model of a learning institution in both its Medical College and hospitals. The Institution stands out because of its commitment to taking care of all".

Postgraduate education opportunities such as M.D., M.S., D.M. and M.Ch. are available in a wide spectrum of specialties and super specialties in the Medical College.

Competency Based curricula as notified by the NMC are being implemented for the MBBS and PG medical programs from the academic year 2019-20 onwards. Blended mode of teaching has been adopted to cope with the Covid-19 pandemic situation.

## **2. SRI RAMACHANDRA DENTAL COLLEGE AND HOSPITAL**

Sri Ramachandra Dental College & Hospital was started in 1995 as a constituent college of the Deemed University. Utilizing a floor space of 2,29,000 sq.ft, the college has 330 well equipped dental chairs to fulfill the needs of the undergraduates and postgraduates in every branch of dentistry. There are specially designed laboratories and teaching facilities such as lecture halls, auditoria and departmental seminar rooms and departmental libraries which make this a well-recognized institution in the country. Advanced diagnostic equipment such as Orthopantomographs, Cephalostats and maxillofacial and dental radiography have been included. In addition to the state-of-the-art designated dental operation theatres, the vast diagnostic facilities that are available at the medical centre are also readily accessible for the students and faculty of the dental college. Several hundred patients who visit the dental college and hospital every day appreciate the comprehensive care provided. Curriculum Integrated for the BDS program has been introduced. The B.D.S. Program offered is recognized by the Dental Council of India and the Dental Councils of Malaysia and Sri Lanka. Among the academic collaborations entered into by the college those with the University of Campania Luigi Vanvitelli, Italy, Southampton University NHS foundation trust, United Kingdom, West Virginia University, Ajman University, College of Stomatology, Shanghai Jiao Tong University are notable. In NIRF 2022 Ranking of Dental colleges in India, Sri Ramachandra Dental College has been placed at 13<sup>th</sup> rank among all the Dental colleges in India.

### **3. SRI RAMACHANDRA FACULTY OF PHARMACY**

In NIRF 2022 Ranking of Pharmacy colleges in India, the Pharmacy College has been placed at 31<sup>st</sup> rank among all the Pharmacy colleges in India. B. Pharmacy program is accredited by National Board of Accreditation for 3 years from 2019-2022.

Established in 1993, this constituent college is a prestigious institution located in a multilevel building with well-equipped research laboratories and draws research scholars from different parts of the nation. The college offers a 4 year professional degree in pharmacy (B. Pharmacy) which teaches pharmacology, medicinal chemistry, pharmaceuticals and chemistry of natural products as part of the program. The college also offers a 6-year Pharm. D. Program and a 3 years Pharm. D. (Post Bacalaureate) program for those with B. Pharmacy. Qualification Most prominent in the program are hospital/clinical pharmacy, health management and research. State of the art equipment and up to date information on the latest drugs and therapies equip the students to practice anywhere in the world. The Undergraduate & Postgraduate degree programs are approved by All India Council for Technical Education and the Pharmacy Council of India, New Delhi

#### **4. SRI RAMACHANDRA FACULTY OF NURSING**

Sri Ramachandra Faculty of Nursing established in 1993 is committed to prepare proficient students by providing balance between curricular, co-curricular and extra-curricular activities. The institution with state-of-the-art infrastructure, unparalleled technical expertise, comprehensive and innovative teaching- learning activities and diligent faculty aspires to prepare intellectually enlightened, morally upright, spiritually inspired, emotionally balanced, and socially committed professional nurses. The institution offers competency based curriculum that includes theoretical content, simulated learning in skills labs and clinical experience in multi-specialty, in-house University teaching hospital and community health centers. The varied research opportunities for the students with faculty members as mentors create a platform to develop inquisitiveness and innovations. Linking theory with integrated practice to bridge the skill gap is our strength. Active and vibrant collaboration with international Universities is an added advantage.

The institution offers a four-year undergraduate degree program B.Sc. Nursing (Basic), two-year B.Sc. Nursing (Post-Basic) program, and a two-year Postgraduate degree M.Sc. Nursing program. The M.Sc. Nursing (Nurse Practitioner in Critical Care) is a Nursing residency program with a focus on competency based training. The programs offered by the institution have been designed as per regulations notified by the Indian Nursing Council.

#### **5. SRI RAMACHANDRA FACULTY OF PHYSIOTHERAPY**

Physiotherapy is a health care profession that restores movement and functions affected due to various medical conditions; reduces health related risk factors, and promotes healthy life style through physical activities. Physiotherapist uses exercises/ movements and physical modalities like heat, sound, and electricity as therapeutic modalities.

The Faculty of Physiotherapy was established in August 1993, initially affiliated with Tamil Nadu Dr. M.G.R University and from 1995, it is a Constituent Faculty of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University). This Faculty offers an under-graduate program and a post-graduate program with 4 specialty training.

The Sri Ramachandra Faculty of Physiotherapy is located in a 5 storied individual building with well-equipped lecture halls and demonstration halls. Students get their skill development and clinical practice in Sri Ramachandra Hospital and Medical centre, which are multi-specialty health care centres attached to the University.

## **6. SRI RAMACHANDRA FACULTY OF ALLIED HEALTH SCIENCES**

This faculty that turns out extremely useful and well trained paramedical graduates who support the clinicians in medical colleges, hospitals and clinics not only in India but all over the world. In the hi-tech world of modern health care, the need for a team approach in curing illness and sustaining life is essential and it takes people with varying skills and expertise to make up the team. Advanced complex instrumentation and equipment require technocrats not only to operate but also to care and maintain them as well. These experts have to possess a strong scientific foundation and be able to perform at a much higher level than the traditionally trained technicians of the past. The following undergraduate and postgraduate programs are offered keeping the above needs of the medical profession:

## **7. SRI RAMACHANDRA FACULTY OF MANAGEMENT SCIENCES**

Sri Ramachandra faculty of Management Sciences (SRFMS), a unit in Sri Ramachandra Institute of Higher Education and Research (SRIHER), a Deemed to be University (Formerly known as Sri Ramachandra University), is one of the leading management hubs in India offering very unique programs at UG & PG level in the field of Hospital & Health Systems Management. The curriculum is designed with the needs of industry in mind and is constantly revised to reflect emerging developments in the area of healthcare.

## **8. SRI RAMACHANDRA FACULTY OF BIOMEDICAL SCIENCES AND TECHNOLOGY**

Biomedical Science is one of the broadest areas of modern science which focuses on the complexity of the human body and underpins much of modern medicine. Biomedical Science research is an exciting and dynamic areas that are highly relevant to the understanding and treatment of human diseases, from cancer diagnosis to vaccine discovery, from infections to genetic diseases. The multidisciplinary approach practiced in the Faculty of Biomedical Sciences and Technology is internationally recognized by leading experts working in the clinical and non-clinical departments. Extensive research activities that attract funding from national and international agencies ensure that increasing emphasis is placed on biomedical science research. This Faculty offers undergraduate and postgraduate programs at the Department of Biomedical Sciences, and postgraduate in biotechnology, human genetics, and applied & regulatory toxicology. Well- equipped laboratories and modern classrooms with highly qualified and experienced faculty members make the constituent faculty among the best in India. The faculty offers the following programs:

## **9. SRI RAMACHANDRA FACULTY OF PUBLIC HEALTH**

Department of Environmental Health Engineering was set up, as a part of the Basic Science Research Wing of Sri Ramachandra Deemed University, Chennai in 1998 with the aid of financial assistance provided by the United Nations Industrial Development Organization. The department is presently functioning under Sri Ramachandra Faculty of Public Health which was constituted in 2017. The department originally setup to provide occupational safety and industrial hygiene monitoring services to the leather/tanning industry in Tamil Nadu, has since then been expanded to include a variety of Industry sectors.

As the department is equipped with a state of the art environmental monitoring and industrial hygiene laboratory, routine occupational safety and health consultancy services are continued to a wide spectrum of industries across India.

The primary focus of the department is to conduct the health risk assessments for environmental pollutants (in both-the occupational and ambient environment). With more than two and a half decades of experience in global environmental health research, the department has been involved with a network of more than 50 national and international organizations for research and training collaborations, the most notable amongst them being the collaboration with UC Berkeley under support from the ITREOH program of The Fogarty International Center and the International Integrated Experts Program of the GTZ. The department is a recipient of several extra-mural research and training grants from USEPA, NIH (USA) & Bill and Melinda Gates Foundation, WHO, World Bank, UNDP, UNEP, NIHR, ICMR, DBT and other Central and State Ministries of Govt. of India. The World Health Organization (WHO) has designated Sri Ramachandra Institute of Higher Education and Research (formerly known as SRMC & RI) as a WHO Collaborating Centre for Research and Training in Occupational Health from 2007 (from 2015 as WHO Collaborating Centre for Research and Training in Occupational and Environmental Health). Also, Indian Council of Medical Research (ICMR) has designated this centre as ICMR Centre for Advanced Research on Environmental Health: Air Pollution from 2010 (from 2016 as ICMR Centre for Advanced Research on Air Quality, Climate and Health). The Environmental Health Engineering Department has also been recognized by the International Labour Office of the United Nations, Geneva as a collaborating centre of the International Occupational Safety and Health information Centre (CIS) Network. The department has contributed to several national and international technical Contribution concerned with air quality including the Global Burden of Disease and Comparative Risk Assessments (GBD 2000, GBD 2010, GBD 2013); The IARC Monographs for household (2006) and ambient air pollution (2013);

The Global Energy Assessment (2009); and the World Health Organization Air Quality Guidelines for ambient (2006, 2014, 2021) and the department research projects have contributed immensely to the ratification of international conventions and protocols. The department facilities have also published more than 200 peer-reviewed articles in high impact journals. The department has been conducting several short term trainings for the industries in the area of occupational health and safety. In addition, the department also conducts undergraduate, post graduate, doctoral and post-doctoral program.

## **10. SRI RAMACHANDRA FACULTY OF SPORTS & EXERCISE SCIENCES**

The Sri Ramachandra Faculty of Sports and Exercise Sciences (SRFSES) is a constituent college of Sri Ramachandra Institute of Higher Education & Research (Deemed to be University). It is attached to the Sri Ramachandra Centre for Sports Science, a premier institute for sports medicine and sports sciences offering a host of multidisciplinary services to sports persons through a team of highly qualified and experienced professionals along in sports medicine, physiotherapy, Biokinetics, Biomechanics, Nutrition and Sports Psychology etc. It has state of the art labs for the above and all related facilities. The centre has been accredited by various international and national sports organisations and authorities including International Cricket Council (ICC), Asian Football Confederation (AFC), Sports Authority of India (SAI), Sports Development Authority of Tamilnadu (SDAT). The attached Water Sports Centre is a National Centre of Excellence (NCOE) for Rowing. Sri Ramachandra CSS has 4 sports academies under the Govt of India's Khelo India scheme, viz. Rowing, Shooting, Weightlifting and Hockey. For more details visit <https://www.csstrucoach.in/>

The undergraduate B.Sc. (Hons) programme in Sports & Exercise Science is popular among the students with good intake of students every year. The course was developed in academic collaboration with the University of Cape Town, South Africa. This four-year programme covers all aspects of sports and exercise sciences and is compatible for applying to Masters Programme to international universities. Masters level programmes in Sports Physiotherapy and Sports Psychology are being offered along with the UG programme.

Besides class room teaching, the students get practical experience through postings in various sports and athletic clubs and other academies. Through the several MoUs with leading international universities, the students of SRFSES have good opportunity to gain international experience during their study period by way of student and staff exchange. Students who graduate will have ample opportunities in getting employment in sports and science establishments, associations, wellness centres and clubs - both private and public sector. There is good track record for placements for the alumni at national and international levels which is facilitated by a dedicated Student Placement Cell.

## **11. SRI RAMACHANDRA FACULTY OF CLINICAL RESEARCH AND TECHNOLOGY**

Clinical research is the branch of science that systematically determines the safety and effectiveness of medications, devices, diagnostic products, and treatment regimens for use in human subjects. Clinical research is a component of medical and health research intended to produce valuable knowledge for understanding human disease, preventing, and treating illness, and promoting health. Clinical research embraces a continuum of clinical studies involving approaches to decipher disease mechanisms; translational research; therapeutic interventions including development and clinical trials of drugs; biologics, devices, and instruments; prevention (primary and secondary) and health promotion; epidemiology; community-based and managed care-based research, etc. under proper ethical guidelines. Faculty of Clinical Research at SRIHER was initially established as a Central Research Facility (CRF) in 2007 and has been engaging in various research and development activities of the University and coordinates with the diverse centers of research across the faculties. With selected faculty members dedicated towards carrying out excellent research in exciting areas of science and medicine, the department has been providing infrastructure and instrumentation support to various faculty members, researchers, and doctoral research students to carry out their research projects. Support on statistical analysis of research data, manuscript editing and submission and management of research funds are also being provided by the faculty for entire university. A full-fledged Clinical research division conducts clinical trials on various disciplines in the field of medicine. The Central research facility emerged as faculty of clinical research in the year 2018. Two programs on Clinical research (B.Sc. and M.Sc. Clinical research) are being offered from 2019. A new program on stem Cells (M.Sc. Stem cell and regenerative biology) is being offered under the faculty from 2020. These programs are research oriented with the aim of introducing students to various aspects of Clinical research.

## **12. SRI RAMACHANDRA FACULTY OF ENGINEERING AND TECHNOLOGY**

Sri Ramachandra Faculty of Engineering and Technology (SRET) is a unit of SRIHER with a mission to promote excellence in engineering and technology education, prepare graduates to solve society's problems, and be at the forefront of innovation and applied research. SRET programs are modeled after some of the best programs in India and around the world. With a blend of strong fundamentals and experiential learning, these programs are aimed at preparing graduates to meet the engineering challenges of industry and society. Engineering and technology programs at such institutions as the Indian Institutes of Technology, and the National Institutes of Technology in India and the Purdue University, Virginia Polytechnic Institute, the State University of New York, the Rochester Institute of Technology and the Northeastern University in the USA and McMaster University in Canada and others elsewhere served as benchmark programs in formulating the curricula. Input from experts in industry, academia and the research organizations guided the development of the programs and their curricula.

## **13. SRI RAMACHANDRA FACULTY OF AUDIOLOGY AND SPEECH LANGUAGE PATHOLOGY**

The Department of Speech, Language and Hearing sciences was established on 5th October, 1995 as an adjunct to the ENT Department in the hospital and in the Faculty of Allied Health Sciences. Subsequent to completion of the Silver Jubilee in 2020, the Department was recognized as an independent faculty (SRFASLP) by the board of management of SRIHER (DU) on 23rd June, 2022. The faculty offers RCI recognized undergraduate (since 1995), postgraduate (since 2004) and Ph.D. programs in the field of Audiology and Speech Language Pathology. A student-centered multidimensional approach to curriculum transaction is followed to facilitate the acquisition of knowledge and skills required to practice as a professional in the field. The various facilities at our department such as the audiological suites, electrophysiology labs, speech diagnostic and therapeutic units serve as a primary source for clinical and research training. We offer unique services in association with Sri Ramachandra Medical Centre for individuals with communication difficulties. The students have the opportunity to undergo training in various specialty areas that includes newborn hearing screening, early intervention programs, vestibular assessment, Bedside evaluation of adults with communication difficulties, Assessment and management of voice disorders, Stuttering therapy, hearing evaluation for pediatric and adults, Hearing aid trial and dispensing, cochlear implant assessment and management, Tele-rehabilitation for speech language and communication disorders and other routine hearing, speech and language evaluation and rehabilitation services.

## **14. SRI RAMACHANDRA FACULTY OF OCCUPATIONAL THERAPY**

Occupational Therapy referred to as OT, is an integral part of the health care system. Occupational Therapists focus on developing, recovering, or maintaining the daily living and working skills of people with physical, mental or cognitive impairments. Occupational Therapists practice in the wide range of areas like pediatrics, neurological science, musculoskeletal conditions, mental health, geriatrics etc. The focus of Occupational Therapy is to approach the patient's care in a holistic manner.

Occupational Therapy Department was established in the year 2017. Faculty of Occupational Therapy is a constituent faculty of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University). This Faculty offers an undergraduate program and a post – graduate program with 4 Specialities.

Faculty of Occupational Therapy offers the B.O.T program (Bachelor of Occupational Therapy) and M.O.T (Master of Occupational Therapy). Students in both U.G & P.G program learn the skills in Health conditions, Human Occupations, Evaluation, Intervention and Research methods. The students are given hands on clinical training in the attached Sri Ramachandra Hospital, Sri Ramachandra Medical Centre, Sri Ramachandra Rehabilitation Centre and Sri Ramachandra Rural Health and Training Centre.

Students have excellent exposure to a wide range of clients in the department of Paediatrics, Neurology, Neurosurgery, Orthopedics, Plastic surgery, Cardio - pulmonary, Neuro ICU, Neonatal ICU, Mental Health and Community center. They are also posted in the department of Occupational Therapy for hands on training in the specialized fields of practice. The department of Occupational Therapy is providing services with the specialized units of Child health, Mental Health, Play therapy, Sensory Integrative Therapy, Group Therapy, ADL Training, Hand Therapy and more.

### **CERTIFICATE COURSE**

The Certificate in Hospital Technician Course was started in the year 1994 by our Founder Chancellor Thiru. N.P.V. Ramasamy Udayar with a noble vision to provide qualified technicians to the hospital. This course is designed to enable a Hospital Technician to develop the competencies for skilled patient care, in a hospital/clinic. The students are given practical training in Sri Ramachandra Hospital. The candidate who have shown interest towards learning and who are in the below poverty line are enabled to pursue this education with free of cost offered by Sri Ramachandra Deemed University and also a stipend of Rs.500/- is given monthly to every student to meet the expenditure and as an encouragement.

## **INTERNATIONAL STUDENT CELL**

Welcome to Sri Ramachandra Institute of Higher Education and Research and Chennai, India! We know you have travelled from far away and are looking forward to your educational experience in India. We at the Sri Ramachandra Institute of Higher Education and Research International Relations look forward to meeting you and supporting you throughout your time on campus

SRIHER offers a wide range of programs and services designed to make you feel welcome and to support your academic and social success during your time at SRIHER. Our International Student Advisors and professional staff provide confidential advice and services on a range of topics such as immigration, intercultural communications, English conversation support and much more. This handbook will give you a brief introduction to these programs and services, and serve as a guide as you make the transition into your new academic setting.

International students enrich our classrooms, research initiatives and campus as a whole SRIHER welcomes diversity. During their time students are expected to share their diversity experience, as they interact with fellow students, faculty members and staff, both inside and outside the lecture hall. Sri Ramachandra Institute of Higher Education and Research has an active International Student's Support Cell (ISSC) to cater to the requirements of NRI/ Foreign students. This cell extends meet and greet service for international students, health and welfare provision, conflict of resolution, individual counseling services, etc. This Cell also handles short visit of international students under exchange of students between SRIHER and partner Universities, visas assistance, travel and hostel accommodation for the students etc. Importantly the cell also assists international students on extension of visas.

This cell promotes friendship and cultural understanding through interactive events between the students. The cell also assists the International students to go through the online registration (C Form & S Form, etc.) process as well facilitate their visit to the FRRO office and guide them through the FRRO formalities and requirements.

**Foreign passport holders (Students and those coming for Observership/Training/Internship)) should visit the <http://www.indianfrro.gov.in/eservices/home.jsp> register formally with FRRO to complete the C Form online within 24 hours of checking into hostel/Guest House complex in the campus. This should be complied with strictly.**

## **MEDICAL EXAMINATION**

Every International candidate needs to undergo a medical examination (refer the attachment sent along with PAL for the nature of tests to be undergone by the candidate) in any reputed hospital and the report to be submitted to the Office of the International Relations, Sri Ramachandra Institute of Higher Education and Research (SRIHER). Confirmed Admission Letter will be issued only after the receipt of the medical examination report.

## **SECURITY REGISTRATION**

It is a mandatory process that within the stipulated time frame of arrival in India, the student has to register his/ her name with the Foreigner's Registration Office (FRO) / Foreigner's Regional Registration Office (FRRO). A student with a PIO card also must register at the FRRO. Only OCI card holders need not register. Sri Ramachandra Institute of Higher Education and Research (SRIHER) would provide necessary assistance in this regard. The applicable immigration processing fees and other related expenses have to be additionally borne by the student.

## **THE INTERNATIONAL STUDENT EXPERIENCE**

Ever since its inception, international students have been a part of SRIHER (DU). Drawn from countries all over the globe, students have found the Deemed University a home away from home. Separate comfortable hostels are available for international students. An international student officer and counselor provide individualized attention to the needs of international students.

## **8. RULES FOR HOSTEL STUDENTS**

### **HOSTEL ADMINISTRATION**

The hostel committee is responsible for the hostel administration of the Deemed to be University and the policies framed are executed by the following persons.

- a. Chief Warden
- b. Resident wardens
- c. Deputy resident wardens
- d. Assistant resident wardens

The above are assisted by the support staff of the Deemed to be University in the discharge of their responsibilities. Assistant wardens are available round the clock in the hostel premises. All hostels are to be managed by resident wardens who reside within the Deemed to be University campus. Students may approach any of the above named officials for help, guidance and any other assistance at any time of the day.

**(a)** Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) strives hard to provide the best possible hostel environment for studies and all round personality development. Students are requested to co-operate with the hostel administration and follow all rules and regulations to facilitate their comfortable, enjoyable and safe stay in the hostel. A hostel inmate will continue to enjoy the privileges of being an inmate so long as he/she follows the rules and regulations of the hostel and there is no rent due from him/her.

**(b)** The Deemed to be University reserves the right to change/amend the rules from time to time. Students will be informed of the changes through general circulars displayed on the hostel notice boards.

All inmates of the Hostel shall observe the following rules for the smooth and efficient running of the hostel and for their comfortable stay:-

## **1. ACCOMMODATION**

**(a)** Hostel accommodation can be availed only by the bonafide students of the institute. The students are entitled to hostel accommodation as long as they are full time registered students.

**(b)** At the time of admission to hostel, each student is required to submit a duly completed personal data form. The telephone number of the parent with the STD code and email id must be provided. The students will be permitted to have only one local guardian whose details will be submitted. Any change of address/telephone number of parent or local guardian must be immediately intimated to the hostel office. It will be the responsibility of students to keep their personal data form updated at all times.

**(c)** Allotment of rooms will be made as per availability of rooms. No preferential allotment of rooms will be made.

**(d)** As far as possible, undergraduate students and post graduate students/interns will be housed in separate blocks of the hostel. To the extent possible, students from the same course will be allotted rooms in the same hostel blocks.

**(e)** Shifting of rooms: The students may be asked to shift any time during the course of study for administrative reasons. No representations will be entertained in this regard.

**(f)** Rooms once allotted to students for an academic year will not ordinarily be changed except under special, circumstances approved by the resident warden or chief warden.

**(g)** Any student who is removed from the rolls of the institute/rusticated from Deemed to be University on disciplinary grounds will automatically cease to be a resident of the hostel. Such students shall forthwith vacate the hostel accommodation immediately.

**Note: HOSTEL FEES WILL NOT BE REFUNDED FOR STUDENTS WHO ARE REMOVED FROM THE HOSTELS ON DISCIPLINARY GROUNDS.**

**(h)** If a student staying in the hostel is suspended from the Deemed to be University as part of any disciplinary action, he/she will be automatically removed from the hostel.

**(i)** Students who fail in three consecutive Deemed to be University examinations will not be allowed to retain hostel accommodation. Accommodation may be provided once they pass subject to availability

**(j)** Students are expected to stay in the rooms allotted to them. In case of an occasional requirement of staying in a friend's room, the respective wardens should be duly intimated by the student.

## **2. VACATING THE HOSTEL ACCOMMODATION**

**(a)** Students must vacate the hostels within one week from the date of completion of the course.

**(b)** If any student wishes to vacate before completion of the course, an application form duly signed the parent has to be submitted. The parent need to be physically present at the time of leaving.

**(c)** The students who completed the course shall submit the hostel vacating form. in triplicate.

**(d)** The furniture and fixtures as per inventory list must be handed over to the designated staff member of the hostel. Any deficiencies/breakages and damage to walls, fixtures etc. will be made good by the student by paying such amount, as may be decided by the maintenance department.

**(e)** If a student vacates hostel during the course voluntarily or by the order of authority he / she will not be permitted for readmission into the hostel.

**(f)** When a student vacates hostel he / she has to fill a prescribed vacating form and hand over the room key at the hostel office failing which he / she will be continued to be charged for the room until he / she vacates the hostel officially.

### **3. Hostel Fee:**

All students will pay all stipulated hostel fees/room charges at the beginning of the academic year. A copy of the fees receipt should be given to the hostel office for filing in the students' record file. If they fail to remit the hostel fees, they will not be permitted to stay in the hostel.

### **4. Entry/Exit from Hostels:**

Biometric attendance recorders are placed in all hostels. All entry/exit places in hostels are under surveillance of closed circuit cameras. Hostel entry/exit doors are controlled by biometric readers. Students are required to punch in/out at the times of their entry to /exit from hostels.

### **5. Out pass from Hostels:**

All students planning to go outside the main gate of the Deemed to be University campus, have to enter their particulars in the out pass register kept in the hostel office. They should return back before 9.00 p.m. Entry should be made on arrival.

### **6. Leave /Stay out from Hostel:**

The parent of the student has to mail/send SMS OR Whatsapp message to the assistant resident warden of the block from his/her email id/mobile number given to the hostel office at the time of admission. The student has to write in the STAY OUT REGISTER while leaving and coming back. They have to mention about the expected day of arrival also. If there is extension of their stay it should be informed through parents. No excuse whatsoever will be accepted for not entering the particulars in the register. Ignorance of rules, leaving in a hurry etc., will not be accepted as valid excuse.

## **7. Gate Closing Time:**

Gate closing time for the hostels is 9 p.m. Students will not be allowed to go outside after 9 p.m. Students shall ensure that they are inside the respective hostels by 9 pm. Defaulters will invite disciplinary action.

## **8. Attendance in Hostels:**

The students should give their attendance between 8pm and 9pm in the hostel office. They are not permitted to go out after giving attendance. If they failed to do so they are liable to be marked as absent with attendant disciplinary action. No excuses whatsoever will be entertained in this regard.

## **9. Absence from Hostel:**

No unauthorized absence from hostel is permitted on any day including weekends and holidays. The wardens are authorized to telephonically contact the local guardians/parents to verify the safety of the students. Students who ignore this directive will be warned and intimation will be sent to parents. Students who repeatedly ignore this directive will not be permitted to stay in the hostel premises. The decision of the Deemed to be University administration will be final and binding on all inmates of hostels.

## **10. Hostel Property/Fixtures/Fittings:**

**(a)** Inmates should not remove any furniture from the rooms and no extra furniture can be brought in from outside.
